Results Details

Jermin Henry achieved an overall score of 9, which means Jermin answered 9 questions correctly. This corresponds to a percentile rank of 8, meaning Jermin scored better than 8% of the people who have taken this test.

Score Explanation

High Range Scores (Above 80th Percentile)

People with higher test scores can generally learn and do mechanical jobs better than people with mid or low range scores. They are more likely to pick up training faster than those with lower scores.

Low Range Scores (Below 25th Percentile)

People with lower mechanical ability may be able to do many mechanical jobs, but may require more training and may take longer to pick up on job skills.

Mid-Range Scores (25th to 80th Percentile)

People with mid-range scores can generally learn and do mechanical jobs, but may require more training than people with high range scores.

Suggested CMRA Score Ranges by Position
