Position: Integrity Test Date: Nov 21, 2024

Event ID: AUT-qKGG-xD4N-7Pjr8

80 Talent Signal

## **Talent Signal**

The Talent Signal is an easy way to compare candidates within a job by using a single weighted average of the candidate's score.

Based on a weighted average of the following tests:

## **Workplace Productivity Profile**

Risk assessment used to predict whether applicants will be conscientious, productive, and reliable

## High

Applicants who receive High ratings are judged to have a high likelihood of being diligent, reliable and productive employees
